This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

PASSED MARCH 26, 1867

AS AMENDED BY CHAP. 423, LAWS OF 1874,
PASSED MAY 11, 1874

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

SECTION 1. Cornelius R. Agnew, Horatio Allen, James W. Beekman, Henry W. Bellows, Francis B. Cutting, John A. Dix, Wolcott Gibbs, John C. Green, George Griswold, David Hoadley, Murray Hoffman, William J. Hoppin, Charles King, Charles H. Marshall, Willard Parker, George T. Strong, Jonathan Sturges, Otis D. Swan, Moses Taylor, and such other persons as now are members of an Association in the city of New York called "The Union League Club," and such persons as hereafter shall become members of the corporation hereby created, are constituted a

body corporate, by the name of "The Union League Club," to be located in the city of New York, to promote, encourage, and sustain, by all proper means absolute and unqualified loyalty to the Government of the United States; to discountenance and rebuke, by moral and social influences, all disloyalty to said Government, and every attempt against the integrity of the Nation; and, in furtherance of these objects, to establish and maintain a Library and a Gallery of Art and Military Trophies, especially devoted to the perpetuation and illustration of the patriotic services and sacrifices by which the existing struggle against rebellion has been characterized.

SEC. 2. Said corporation shall have power to make and adopt a constitution, by-laws, rules, and regulations for the admission, suspension, and expulsion of its members, and their government, the collection of fees and dues, the number and election of its officers, and to define their duties, and for the safe keeping of its property, and from time to time to alter, modify, or change such constitution, by-laws, rules, and regulations. Until an election shall be held pursuant to such constitution, by-laws, rules, and regulations, the officers, for the time being, of the Association, mentioned in the first section of this act, shall be the officers of the corporation hereby created.

SEC. 3. Said corporation may purchase and hold, or lease, any real or personal estate necessary and proper for the purposes of its incorporation, provided

SEC. 4. Said corporation shall possess the general powers, and be subject to the restrictions and liabilities described in the third title of the eighteenth chapter of the first part of the Revised Statutes.

SEC. 5. This act shall take effect immediately.

OF NEW YORK

ARTICLES OF ASSOCIATION

1. The condition of membership shall be absolute and unqualified loyalty to the Government of the United States, and unwavering support of its efforts for the suppression of the Rebellion.

2. The primary object of the Association shall be to discountenance and rebuke, by moral and social influences, all disloyalty to the Federal Government, and to that end the members will use every proper means in public and private.

3. We pledge ourselves, by every means in our power, collectively and individually, to resist to the uttermost every attempt against the territorial integrity of the nation.

ADDITIONAL ARTICLE OF ASSOCIATION, ADOPTED JANUARY 11, 1866

4. It shall be the duty of the Club to resist and expose corruption, and promote reform in our National, State, and Municipal affairs, and to elevate the idea of American citizenship.

The officers of The Union League Club shall be a President, twelve Vice-Presidents, a Secretary, a Treasurer, and the members of the following Standing Committees: Executive Committee, Finance Committee, Committee on Admissions, Committee on Library and Publications, Committee on Art, Committee on Political Reform, and Auditing Committee; all of whom shall be elected by the members of the Club, at the annual meetings, and shall serve until their successors shall have been elected respectively, except so far as is otherwise provided by By-Law No. 17.

All appropriations of the funds of the Club, except as provided in the 16th By-Law, and all directions for the use of the Hall or Club-rooms for other than for Club purposes, shall be made by the Executive Committee.
